ePayments:**Individual Verisign Activity**

On the revenue side, August had total collections of \$208,084.86 from 5,423 non-tax transactions. Animal license renewals had 263 transactions with total collections of \$6,816, and figures much higher for the year 2008. A total of \$12,605 was collected on line for 723 paid parking ticket transactions. We have seen a drop this year in parking ticket transactions, but we have fewer PSOs on the street. There were 20 monthly parking cards totaling \$1,431.55 and 13 parking debit cards totaling \$500. There were 2,190 Event Parking transactions that totaled \$38,162. A total of \$5,420 was collected from 542 on line Criminal History checks. Season Swimming Pool Pass sales were down this year. We should have some sales in November and December with the holidays. Water/Sewer collections totaled \$143,150.31 from 1,672 on line transactions.

Epos Activity - County Property Taxes

County Property taxes totaled \$500,634.62 from 276 transactions.

Verisign Summary Activity

Total Verisign collections in August for the City were \$208,084.86 and the County's collections totaled \$500,634.62 , with a combined total of \$708,719.48 from 5,699 paid transactions.

Golf On Line Tee Time System:

On Line Tee Time Reservations went live on Monday for Pioneers Golf Course. Everything seems to be working well with the new system, so plans are to launch the other golf courses in mid October.

Union Bank Debit Card Problems:

We have not heard of any more problems with the Union Bank Visa Debit card being rejected since Visa changed the bad code.

Disaster Registry:

Terry has been working with Delayne Peck from Lincoln Area Agency on Aging and Doug Ahlberg with Emergency Management on the Disaster Registry. We have completed the design coding of the citizen web interface to the new application that will assist first responders to locate and rescue the frail, elderly, and special needs citizens in times of disasters. This application will include data, images, GIS mapping, aerials, and will have a wireless mobile access component. We may have a demonstration of the Disaster Registry at our next meeting.
